

# *Call for Artists & Illustrators*

## *Educating for Equity (E4E) research project*

We are an Indigenous-led research team developing education for health care providers and Indigenous patients with Type II Diabetes to improve health equity with Indigenous people.

**1. We are looking for Indigenous artists to help create artwork for interpreting the project's directions and principles on diabetes, healthcare and healing.**

**&**

**2. We are looking for Indigenous illustrators to help develop a visual lecture on the E4E Care Framework for healthcare providers.**

The selected applicant(s) will work with the research team in the development of the above art. This is a paid opportunity.
